

Online Programme on

Domain Registrar Operations

Programme Coordinator: Dr. V. Radha

AUGUST 12, 2025

INSTITUTE FOR DEVELOPMENT AND RESEARCH IN
BANKING TECHNOLOGY, HYDERABAD
(ESTABLISHED BY RESERVE BANK OF INDIA)

Introduction

Domain Names and Digital Certificates are essential digital identities for any organisation functioning in a digital way. At present, the banks domain names are scattered across different Top Level Domains, i.e., .com, .co.in, .org.in, etc., confusing the banks customers in identifying the original identity. Many of the times, this leads to common people falling prey to cybercrimes.

The Reserve Bank of India has announced the introduction of '.bank.in', an exclusive internet domain to combat the increased instances of fraud in digital payments. This initiative is aimed at strengthening the cybersecurity framework. Registering a domain under .bank.in will enable customers to easily identify the genuine identity of the bank and reduce the cybercrimes.

IDRBT is the exclusive Domain Registrar of .bank.in. The RBI, vide its Circular dated April 22, 2025, has decided to operationalise the .bank.in domain and the banks need to migrate to the .bank.in domain at the earliest. Banks need to apply to IDRBT to get a domain name registered. Post obtaining a domain name, banks have to migrate to the new domain name.

Objectives

- ★ To make bank officers understand the need for .bank.in
- ★ To explain and demonstrate, how to apply for a domain name
- ★ To explain and demonstrate the migration use cases

Contents

- ★ Guidelines from DFS and RBI on .bank.in
- ★ Prerequisites to obtain a new domain name under.bank.in
- ★ How to apply for a new domain name
- ★ Approval process followed by Domain Registrar
- ★ Payment process to be followed by applicant
- ★ How to check whether domain is allocated
- ★ How to migrate to the newly obtained domain name including URL redirections

Who Can Participate

Officers of various banks, IT Team members using and implementing applications rollout.

Mode of the Programme

Online.

End Use

Officers participating in this programme will understand the importance and role of .bank.in in all their customer facing digital presence and will be able to implement this new initiative of .bank.in, in their banks.

Programme Coordinator

Dr. V. Radha, Associate Professor. e-mail: vradha@idrbt.ac.in.
